> Student Declaration of Understanding Re: Workplace Safety and Insurance Board or Private Insurance Coverage Students on Program Related Placements

#### Student coverage while on placement

The government of Ontario, through the Ministry of Training, Colleges and Universities (MTCU), reimburses WSIB for the cost of benefits it pays to Student Trainees enrolled in an approved program at a Training Agency (university). Ontario students are eligible for Workplace Safety Insurance Board (WSIB) coverage while on placements that are required by their program of study. MTCU also provides private insurance to students should their unpaid placement required by their program of study take place with an employer who is not covered under the Workplace Safety and Insurance Act.

Furthermore, MTCU provides limited private insurance coverage for students in Ontario publicly supported postsecondary programs whose placements are arranged by their postsecondary institution to take place outside of Ontario (international and other Canadian jurisdictions).

Yours truly.

#### Vina Sandher

Vina Sandher Field Education Manager

#### Declaration

I have read and understand that WSIB or private insurance coverage will be provided through the Ministry of Training, Colleges requirement and Universities while I am on a placement as arranged by the university as a requirement of my program of study.

I understand the implications and have had any questions answered to my satisfaction.

- Use clear/direct communication

#### **Placement Concerns**

- Involuntary Withdrawal
- Placement Breakdown and Failure
   READ IN PRACTICUM MANUAL:

http://practicum.sowk.laps.yorku.ca/resources/manuals/

- Processes are outlined in BSW Practicum Manual
- Placement Breakdown is a serious matter consider carefully
- The sooner the problem is identified the more likely for a positive solution

- Non-Social Work Supervision
- Confidentiality
- Be familiar with policy and procedures at the agency – ask questions if unclear about anything
- Social Work Code of Ethics Available
   <u>http://www.casw-acts.ca/en/what-social-work/casw-code-ethics</u>

- Example 1: Confidentiality
- Inform clients early in their relationship of any limits of client confidentiality
- Have clients sign completed consent forms prior to the disclosure of information. Verbal consent can be obtained in urgent situations, however the worker must document this
- Do not disclose more information than required
- Limits to confidentiality risk to self, risk to others, disclosure of abuse of a minor

- Example 2: College members do not misrepresent professional qualifications, education, experience, or affiliation.
- Advise clients of your role as a social work <u>student</u>.

#### **Example 3: Professional boundaries**

- Relationship serves the needs of the client, over the needs of the social worker. We avoid conflicts of interest that may interfere with professional discretion and impartial judgment.
  - Physical contact with clients
  - Keep your personal issues separate from your placement performance, seek support from outside sources for personal issues, don't put your agency in that position. (students taking clients out for lunch or "lending them money")
  - Sharing contact info (cell, social media etc.)

The final evaluation is completed as the placement ends. It is intended to assess the student's level of achievement in meeting the goals for placement as identified by the school and in the student's learning contract. The final evaluation is to be completed by the field instructor in collaboration with the student. The student should ensure that a detailed account of work completed is appended to the evaluation document. Upon completion the report is submitted to the Field Education Office so that a final grade can be submitted.

### **Frequently Asked Questions**

- Q: Can't open the Learning Contract form or there is nothing to select when I'm at the Learning Contract/Mid-Point
- A: Try to log on the website through Firefox instead of Internet Explorer or Google Chrome, sometimes Firefox works better in certain computer systems.

Refresh you computer, switch to another computer, or try at different sites (home or placement) as this may help too

- Q: Student can't save or the Learning Goals or Plans are only partially saved?
- A: Need to keep saving the content every 10 min., the system can't save data after 15 min., though you see data on the screen

There is limitation on the number of characters (approx. 500 characters) in each field, try to make it short.

(Suggestion: after discussion with field instructor, do up a draft in a Word document & copy it onto the online evaluation form)

### **Frequently Asked Questions**

### Q: How do I make sure the Learning Contract is sent?

A: There is a 'Submit' button at the bottom, after you submitted the Learning Contract, the button will become in-active and you will receive an email (only to the YorkU e-mail) generated by the system saying that you have submitted the Learning Contract.

### Q: I hit the 'Submit' button by mistake, what can I do?

- A: E-mail Esther Ng (estherng@yorku.ca), we will need to ask the tech support team to reverse this. Esther Ng is the contact for all on-line database tech-support related questions.
- Q: How come there is no Learning Goals, Plans for Goals when I open the Final Evaluation?
- A: Usually, it is because your Field Instructor hasn't submitted your Mid-Point Evaluation yet.

### Q: How do I print the Learning Contract?

A: There is a 'Print' button at the bottom. Make sure the print setting is 'Landscape', 'shrink to fit'
